 (Contract Amount)

This application is subject to all ordinances and codes of the City of Dothan and the State of Alabama, and shall be located on the lot as follows:

For interior subdivision lots, unless pool is enclosed within a permanently and completely walled structure, pool shall be constructed no closer than ten (10) feet of any rear or side property line, and shall be completely fenced from the ground to a height of at least four (4) feet before pool is filled with water.

For corner lots, no pool or surrounding fence shall be located any closer to either street right-of-way than the building line (setback) established for the zoning district.

**FOR CITY USE ONLY**
